

FOLLOW THESE THREE STEPS TO GET STARTED

SEE BACK OF CARD FOR MORE

1 . Fully charge your Echo Frames

Charge Echo Frames until the power light turns green.

2 . Download the Amazon Alexa app

To set up Echo Frames, download the latest Alexa app.

A OPEN THE ALEXA APP B TAP THE MORE ICON C TAP ADD A DEVICE D TAP AMAZON ECHO E TAP ECHO FRAMES

3 . Complete the in-app setup to pair your Echo Frames with the Alexa app

If you already use the Alexa app, make sure you have the latest version and follow the instructions above. If you are downloading the Alexa app for the first time, tap "Set up a Device" after sign-in.
